| Discord and Rhyme | https://discordpod.com/ | where we discuss our favorite albums, song by song. Our first episode goes up this Tuesday! |
| The Art History Babes | | You definitely should go through their backlog and listen to their Frida Kahlo episode |
| This is Only a Test | | for technology and entertainment/geek news |
| Tested | https://twitter.com/testedcom | |
| Forever 35 | | two women talking about self care. |
| hardcore history | | It's well researched and interesting. Dan Carlin gets a little excited when he's quoting sources, but it's kind of endearing (I do the same thing when I'm enthusiastic). Just turn down the volume. |
| 36 Questions | | Musical podcast. The voice acting, writing, and singing is all sharp and fantastic. I fell in love with the characters and the quirkiness and the atmosphere immediately :) |
| Fishin: a merfolk podcast | https://twitter.com/fishcastmtg | |
| Southbound I-35 | https://twitter.com/sbi35 | |
| Chillpak Hollywood Hour | https://twitter.com/DeanAndPhil | ostensibly about movies but also culture, current events and conspiracies (and reminds us that Nice People don't have to deal strictly in the positive). |
| Fate and the Fablemaidens | https://twitter.com/FateFMCast | Hi! Hello! Hail and well met. Thanks for recommending us here! We're a family-friendly, all-women #dnd #podcast that is frequently inspired by #thezonecast in tone |
| You are Not So Smart | https://twitter.com/notsmartblog | A psychology podcast |
| Chilluminati | | It's a bit of a comedy podcast were they discuss strange conspiracy theories. |
| Trope Watchers | https://twitter.com/TropeWatchers | |
| Guys We Fucked | | Anti Slut-shaming podcast |

| | | |
|--|---|---|
| Melhores do Mundo | | If you could understand Portuguese I'd also recommend "Melhores do Mundo". It's a chaotic show about anything and my current favorite. |
| Grownups Read Stuff They Wrote As kids | | Exactly what it says on the tin |
| Adam Buxton | https://twitter.com/AdamBuxton | If you like British things you might enjoy the @AdamBuxton podcast. He's a lovely chap who talks to very interesting people plus his jingles are ace. |
| Podscore | https://twitter.com/PodScore | |
| Bigfoot and Bob | https://twitter.com/BigfootAndBob | |
| Overlooked | https://twitter.com/OverlookedCast | |
| The Ouija Boards | https://twitter.com/theouijabroads | |

| Weird Shit | https://twitter.com/WeirdShitPod | |
| Go Your Own YA | https://twitter.com/GoYourOwnYA | |
| Dressed | https://twitter.com/Dressed_Podcast | a fashion history podcast by two kickass fashion historians |
| Spec Script | https://twitter.com/SpecScriptShow | comedy podcast, where a comedian writes an ep of a TV show they haven't seen, & everyone reads it! I wrote the Star Trek: Next Gen episode in the style of Degrassi Next Gen. |
| Artcurious | | Art History but with a twist |
| The Story Behind | https://twitter.com/StoryBehindPod | trivia |
| The Greatest Generation | | if you have any fondness for Star Trek TNG or just love good comedy |
| The Lonely Palette | https://twitter.com/lonelypalette | Art History painting by painting and snarky British humor. |
| Answer Me This | | |
| The Hamlet Podcast | https://twitter.com/hamletpodcast | |
| Judge John Hodgman | | |
| Tanis | http://tanispodcast.com/ | |
| Trivial Warfare | https://twitter.com/TrivialWarfare | trivia |
| Do By Friday | https://twitter.com/dobyfriday | The challenges that they subject each other to are wild and surreal. Also super funny. |

| scriptnotes | | The one I look forward to the most is about a subject I'm not particularly interested in, movie scripts. But Scriptnotes has become a metaphor for me, on how to think, make and talk about any creative practice. Thoroughly professional and decent |
| awesome etiquette | | |
| Extra Hot Great | | |
| Feminist Thrilljoys | | |
| Teen Creeps | https://twitter.com/teencreepsod | they cover teen genre and pulp books. |
| Let's Make a Music | https://twitter.com/LetsMakeAMusic | they make a partially community sourced song every episode. |
| The Penumbra Podcast | https://twitter.com/thepenumrapod | is a fantastic anthology series, especially the Juno Steele stories (a noir detective on Mars, with a homme fatale master thief love interest!) |
| Limetown | https://twitter.com/limetownstories | the best fiction podcast of all time. |
| The Aletheian Society | https://twitter.com/aletheiansoc | f you like Victoriana, occultists and Scottish humour |

| Cool Playlist | https://twitter.com/CoolPlaylistPod | |
| Put Your Hands Together | https://twitter.com/pyhtshow | |
| American Fiasco | | on the rise and spectacular failures of the 1998 US Men's World Cup Team. Even if you're not (yet) a football fan, this is an amazing look at how to great a human disaster one bad decision at a time. Plus, SOCCER and hilarity. |
| The Mixed Six | https://twitter.com/themixedsix | provides me with a routine dose of stimulating conversation and alcohol recommendations! |
| Dissect | https://twitter.com/dissectpodcast | |
| Loafer's Glory | https://www.thelongmemory.com/loafers-glory-episodes/ | about the secret history of the labor movement and direct action politics, with music lots of laughs: |

| | | |
|------------------------------|---|--|
| Radio Free Gunslinger | http://radiofreegunslinger.blogspot.com/ | Radio Free Gunslinger is a fantastic music podcast, a taste of a kind of free form radio you're too young to have heard. The first 50 are the best: |
| Strong Opinions Loosely Held | | |
| The Habitat | https://twitter.com/meganleetan | by @Gimletmedia @meganleetan 6 people are sent in a simulated mission to Mars, with no other human interaction than each other, for a year. We follow them over a whole year, through recordings sent by the crew to the producer. Links with historical events & drama. |
| The Nod | | |
| Zig Zag | | |
| Big Picture Science | | |
| Personal Best | http://www.vulture.com/2018/03/personal-best-podcast-review.html | helps people realize their small goals (wake up on time, do a backflip) with two producers, loosely applied science, DIY, grandiosity and joy. |
| Welcome to LA | | a great podcast about interesting people with crazy stories about their time here and I don't think to you have to be a local to appreciate it |
| Six Degrees of Wiki | | |
| Girl in Space | | if you like serialized scifi fiction about solitude, dehumanization, corporate overreach, and goat cheese. |
